My dear Mrs. Manley:

I have tried very hard to get some players to try out with your team. The boys I mentioned last year are in the Army.

I have a group of boys that are suppose to try out with our team next week. They are young an inexperience although they have played small village teams. If any of them turn out to be good prospects I will get it touch with you.

Harvey is still here but he hates to leave his job taking a chance of making good. If you play anywhere near here you might get him to come up and try out.

I do hope you will have a very successful season.

Very truly yours,
George Cornish
